The Death And Life Of Great American Cities Jane Jacobs

The most refreshing, provocative, stimulating and exciting study of this [great problem] which I have seen. It fairly crackles with bright honesty and common sense. "Harrison Salisbury, The New York Times One of the most remarkable books ever written about the city... a primary work. The research apparatus is not pretentious "it is the eye and the heart" but it has given us a magnificent ...

The New Localism How Cities Can Thrive In The Age Of

The New Localism provides a roadmap for change that starts in the communities where most people live and work.. In their new book, The New Localism, urban experts Bruce Katz and Jeremy Nowak reveal where the real power to create change lies and how it can be used to address our most serious social, economic, and environmental challenges. Power is shifting in the world: downward from national ...

In Praise Of Maintenance Ep 263 Freakonomics

Our latest Freakonomics Radio episode is called "In Praise of Maintenance." (You can subscribe to the podcast at iTunes or elsewhere, get the RSS feed, or listen via the media player above.). Has our culture's obsession with innovation led us to neglect the fact that things also need to be taken care of? Below is a transcript of the episode, modified for your reading pleasure.
